Lesson Overview

This lesson guides users through the BEYOND website and how to make the most of the Hunter Jobs and Future Pathway expo.

Learning Intentions

To login and navigate the Beyond platform, to the Hunter Jobs and Future Pathway expo

Resources required for this lesson

- Access to a computer with online capabilities for each student
- Headphones for each student
- Smart board / Projector

Success Criteria

- I will be able to log into Beyond.
- I can navigate the Beyond platform to the Hunter Jobs and Future Pathways Expo

Introduction (5 mins)

- Ensure all students have logged in to the BEYOND platform (refer to the [instructions](#))
- If there are any issues logging in, email info@beyond.edu.au or call 1300 677 336

Navigating the platform (10 mins)

Teacher demonstration first on screen: once you have logged in, visit the Lobby.

1. Show students how to scroll across the screen to more cards (using the arrow button).
2. The **hunter jobs & future pathways** card contains the exhibitors. This is where students can get more information on the different organisations who are presenting and exhibiting. (Demonstrate this to students)
3. Click on the card and enter the expo hall. Click on an individual exhibitor to view their information.
4. Show students the **live and on-demand sessions** card. This is the card where the webinars will be running. There are two or three webinars running at the same time, so students will need to be logged in to watch the webinar of interest to them. Just click the “join stream” button on the selected webinar
5. Show students the **explore job opportunities** card. Within this card students can search for jobs available to school leavers in your region.

Attending the expo (90 mins: 9:30 - 11:00am)

Students then have time to watch the webinars / view exhibitors / explore job listings
